## WORK EXPERIENCE

### AI Trainer / Code Evaluator | Somerville, OH

DataAnnotation.Tech - Jan 2024 to Present

- Evaluate AI / LLM responses to code prompts for various criteria
- Create quality reviews of AI / LLM responses containing code, regularly evaluating responses containing Python, JavaScript / HTML / CSS, Java, and other languages / tools.
- Fix and edit AI / LLM responses containing code that is incorrect, invalid, or otherwise non-helpful, such as the AI / LLM can improve from said corrections to be more accurate
- All work done as an independent contractor with no direct supervision

### Data Integration Intern | Oxford, OH

Miami University (OH) - May 2023 to May 2024

- Develop and maintain applications using JavaScript and iPaaS
- Troubleshoot and resolve technical issues with existing applications
- Plan and navigate through practical problems to implement maintainable solutions (i.e applications for MECM, JAMF, Cisco DNAC, etc.)
- Assist other interns / staff in implementing said solutions

### Online Data Analyst | Somerville, OH

TELUS International - Nov 2022 to Present

- Independent work as a contractor to help analyze crowd-sourced data for accurate information, to be later used in implementing applications / machine learning
- Regular examination of data / search engine results stemming from customers
- Accurate optimization (when needed) of data / search engine results
- Self-guided position with no direct supervision - only quality reviews of work

### Mosquito Control Grant Intern | Hamilton, OH

Butler County Health Department - April 2019 to November 2019

- Maintain extensive records of purchases, trapping, material delivery, and public complaints throughout duration of program
  - Created and maintained budget for the program / grant provided by the Ohio EPA
  - Strong verbal and written communication to peers, citizens, and officials throughout Butler County
  - Extensive work with standard computer software (i.e Excel) to keep records and communicate with the Ohio EPA to ensure the program ran as smoothly as possible
-

## EDUCATION

### (In Progress) B.Sc, Biology

Miami University | Oxford / Hamilton / Middletown, OH

- Completed over 20 credit hours of related CS / IT courses covering Java / C++ / Python.
- Completed over 120 credit hours worth of courses (senior status) with an overall GPA of 3.0.
- Miami University Regional Merit Scholarship Recipient

### Diploma, High School

Edgewood High School | Trenton, OH

- Took a total of 7 AP courses and received a collective credit of 23 hours for college courses through AP examinations.
- Graduated with weighted GPA of 4.565 with an ACT score of 31
- AP Scholar with Honor Award Recipient
- EHS Achievement Award for Individual Excellence (English) Recipient

---
